**IMPORTANT MEMBER INFORMATION**  
Inland Power will not disconnect during a heat alert. If a disconnected member requests reconnection, Inland Power must reconnect services during the alert. Call 509-747-7151 if you have questions.  
The CEC for Washington Families Program will offer bill credits of \$200 per household to eligible residential members. See the back of your bill for more information.

### FRONT OF BILL

- 1 Account Number** - This is your account number that identifies your account with Inland Power. Use this number for requesting information on your account.
- 2 Statement Date** - The date your billing statement was distributed.
- 3 Billing Summary** - This is a summary of your total amount and date your bill is due.
- 4 Co-Gen Energy Use Comparison** - This is information specific to your account and explains what kWh amount was generated and used by the member for the month, the net usage, IPL kWh used for the month and any amount of kWh back to the Grid.
- 5 Energy Bank Summary** - This is summary of the member's accumulated kWh in their energy bank, overall amount of kWh used and the current energy bank balance of the member's account at the end of monthly billing cycle.
- 6 Member Message** - These messages may include details on specific billing, changes to your account or helpful reminders.

**7 Remittance Stub** - Detach and return this stub portion when sending your payment via mail. Also, take this with you when making a payment at a pay station.

PLEASE DETACH AND RETURN BOTTOM PORTION WITH YOUR PAYMENT
