## Member Information

Member Name: \_\_\_\_\_ Member #: \_\_\_\_\_

Phone #: \_\_\_\_\_ Email: \_\_\_\_\_

## Site Installation Address

Street Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Is this your primary residence? ☐ Yes ☐ No

## Mailing Address (if different than above)

Street Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

## Qualifying Information

Date of Installation: \_\_\_\_\_ Year home was built: \_\_\_\_\_ Approx. Sq. Ft. of Home: \_\_\_\_\_

Rebate is for: ☐ Existing home ☐ New Construction Type of Home: ☐ Single-Family

Pre-Existing Primary Heat Source: ☐ Any electric zonal ☐ Electric Forced Air Furnace ☐ Ductless Heat Pump

☐ Ground Source Heat Pumps ☐ Wood/Pellet Stove ☐ Propane ☐ Natural Gas ☐ Oil ☐ Ducted Heat Pump

Pre-Existing secondary heat source (If applicable): \_\_\_\_\_

Water Heat Source: ☐ Electric ☐ Gas

## New Equipment Information

Installer/Contract Company Name: \_\_\_\_\_

**(Must be installed by a preferred Inland contractor. See attached list of preferred contractors)**

Installation Type: ☐ Upgrade ☐ Conversion ☐ Upgrade: Compressor only replacement

☐ Desuperheater ☐ No Desuperheater

# REBATE APPLICATION GROUND SOURCE HEAT PUMP

our mission is our members

## General Requirements & Specifications

- Must select a contractor from IPL's Contractor Network (If your contractor is not on IPL's preferred contractor list, please call IPL conservation team at (509) 789-1801). Contractor must be International Ground Source Heat Pump Association Certified (IGSHPA).
- Homeowner installs do not qualify
- Equipment must be AHRI tested and certified (Provided by contractor)
- Duct sealing is recommended
- Manufacturer claims of "equivalent to AHRI certified equipment" will not be accepted.
- Not valid for replacement of portions of a whole system. All system components must be newly installed. The replacement of an existing ground source heat pump unit of the thermal exchange loop does not qualify.
- Limit to one GSHP rebate per home (cannot be claimed in combination with any other heat pump measure).

***Please see page three for more specific requirements***

## Payment

- Conversion from electric forced air force to High Efficiency or Variable Speed Heat Pump HSPF 9+ or HSPF2 7.6 (min):  
Ground Source Heat Pump:
  - Replacements (compressor only): \$500
  - Conversions: \$3,000
  - Upgrades: \$3,000

Payment Type: ☐ Account credit ☐ Check

Please allow 4-6 weeks for processing

## Documentation Requirements

### Required Documents

- ☐ Completed rebate application (Incomplete applications, including missing documentation will result in disqualification)
- ☐ Contractor/equipment invoice showing:
  1. Manufacturer, model number, type, size and quantity of equipment installed
  2. Purchase/Installation date

- ☐ AHRI Certificate
- ☐ Photo of faceplate on indoor and outdoor units.
- ☐ Copy of mechanical and electrical permits.

***\* All model numbers must match AHRI certificate, invoice and photos of installed units.***

## High Efficiency Heat Pump & Variable Speed Heat Pump Qualifications

- Available for new construction and existing single-family.
- **\*Upgrades** include replacing the heat pump portion of a ground source heat pump system. Upgrades are also defined as replacing ASHP, zonal electric, wood, oil, propane, gas or no existing heating system.
- When a home is hydronically heated, an electric resistance water heater is considered equivalent to an electric furnace.
- Must be Energy Star qualified.
- Cannot be claimed in combination with any other heat pump measure. One GSHP rebate per home.

☐ I understand my contractor must supply all required documentation before rebate can be processed.

☐ I have read and accept all requirements for my heat pump.

## Terms & Conditions

Completed application must be received within 90 days of the installation date to be considered for an incentive. Homeowners must comply with all applicable codes and regulations. Limit one per household. Available to all active Inland Power & Light (IPL) members. Rebate pay out/amount not to exceed cost on invoice. If account is past due, the rebate will be applied to the past due balance. IPL reserves the right to inspect installation and will coordinate inspection as applicable. IPL is not responsible for any part of the appliance maintenance, power consumption, or any and all implied warranties (including but not limited to implied warranties or merchantability or fitness for a particular purpose) and shall not be responsible for any representation or promise with respect to the equipment, materials or labor required for the installation of the appliance on the premises, or the cost of such equipment, materials and labor. Additional conditions may apply. I authorize IPL to release my member account information, including my billing and energy usage information, to an independent third-party evaluator solely for the purposes of evaluation this rebate program, confirming energy savings and other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation. By signing below, the member implies that all information provided is true and accurate to the best of their knowledge.
